### **General Information**

#### Private Mailbox (PMB) Number

If you lease a mailbox from a private business rather than from the United States Postal Service, enter your PMB number in the special field labeled "PMB no."

#### Preparer Tax Identification Number (PTIN)

Tax preparers now have the option of using a unique identification number (PTIN) instead of a social security number when signing tax returns.

#### **Purpose**

California Revenue and Taxation Code (R&TC) Section 18662(e)(1) requires the buyer (transferee) to withhold 3 1/3% of the sales price on the disposition of California real estate when the funds are to be disbursed either to a seller (transferor) with a last known address outside of California at the time of the transfer of the real estate, or to the financial intermediary of the seller.

In the case of an exchange as defined under Internal Revenue Code (IRC) Section 1031, the intermediary is required to withhold 7% of the cash or cash equivalent (boot) received by the transferor(s) or their beneficiary(ies) if such boot exceeds \$1,500. However, the amount withheld is not to exceed 3 1/3% of the sales price.

Sellers must attach Copy B to their California tax return to claim a credit for withholding

#### Who Must File

A buyer or other transferee of California real estate that is required to withhold tax must file Copy A of Form 597 to report and remit the amount withheld. If two or more persons are joint transferees, each is jointly and severally obligated to ensure that the total required amount of withholding is remitted to the Franchise Tax Board (FTB). However, the obligation of each will be met if one of the joint transferees withholds and transmits to the FTB the required amount.

Enter the information for only one buyer on Form 597 and check the box that indicates if there are other buyers.

#### When and Where to File

The buyer or other transferee is required to file Copy A of Form 597 and pay the amount of tax withheld within 20 days following the end of the month in which the transaction

The seller should use Form 597-W, Withholding Exemption Certificate and Nonresident Waiver Request for Real Estate Sales to determine if an exemption from withholding is allowed or to request the FTB to reduce or eliminate withholding.

If the request to eliminate or reduce withholding has not been made, or the response from the FTB has not been received by the time title is transferred, the parties may direct the escrow person to hold funds for withholding in trust for 45 days. At the end of 45 days, the escrow person shall remit the statutory withholding amount or the authorized reduced withholding amount to the FTB.

The buyer or other transferee must file Copy A of Form 597 and withhold tax within the specified period regardless of whether or not the seller or transferor has a social security number (SSN), California corporation number, or federal employer identification number (FEIN).

If there are multiple sellers or transferors, some of whom are nonresidents of California, withholding of 3 1/3% is required on the total sales price and is to be allocated among the nonresident sellers unless a waiver or reduced withholding amount is granted by the FTB. A separate Form 597 must be filed for each person who has had an amount withheld. You may include both spouses on the same Form 597 if they owned the property jointly.

Mail Copy A of Form 597 with payment to:
